

TLRI

TIPS LEARNING & RESEARCH INSTITUTE

**IGNITING PASSION FOR LEARNING:
TRANSFORMING INFORMATION
INTO INSPIRATION !**

Our mission is to inspire and empower individuals on their professional journey with advanced knowledge and skills, providing supportive, innovative and tailored development programs to thrive in the rapidly evolving field of school education thus contributing meaningfully to all the stakeholders to realize their aspirations.

ABOUT TLRI

Built on a Foundation of Excellence!
With decades of experience in delivering world-class education, TIPS has earned a reputation for academic excellence and holistic development.

Our expertise spans:

- CBSE Curriculum: Over 20 years of shaping young minds
- Cambridge and IB PYP Curricula: 15 years of fostering global perspectives and inquiry-based learning.
- Trained Faculty: A team of passionate and highly skilled educators dedicated to nurturing growth.

TLRI leverages this rich legacy to empower educators and institutions beyond our own community.

EDUCATORS TESTIMONIALS

Mapping the New Theme Descriptor Conceptually By- Tannu Jain

"It was an amazing session. Learning about unpacking new TD themes was something I was really looking at. It will surely help me to plan my lessons and make them interesting for my learners."

-Madhura Satam
Mount Litera School International,
BKC, Mumbai, India

Provoking Curiosity: Unleashing the power of visible thinking in the classroom By - Bharathi J R

"Thank you for a fantastic webinar on the importance of provocation in education! Your insights were eye-opening and highlighted the value of challenging students to think critically and explore deeper learning. Your enthusiasm and expertise made the session engaging and informative. Keep up the excellent work."

-Frank Kwami Mawulom AZIATO
Enko Education BF
Africa.

A.I. for Educators

By-Madan Kumar

"Trainer used real life experiences and his style was engaging and professional. His clear explanation of complex concepts made the material easy and understandable."

-Kainat Abdulla
PEN School,
Vizag, India.

Play Based Learning for Early Years

By-Shankari

"The trainer delivered an engaging and insightful session on play-based learning, providing practical strategies and real-world applications. Their expertise, interactive approach, and clear explanations made the training highly valuable and impactful."

-Rita Caleb.
Beaconhouse School System,
India.

Mathematical Foundation in Early Years

By-Shanthini

"In this training session I focused on differentiated learning, tackling challenges in math education, and making connections between mathematical concepts and real-life applications. Overall, the training was insightful, and I gained a deeper understanding of how to make math more accessible and engaging for all students."

-Sumaiya Aiub
Pledge Harbor International School,
Bangladesh

**TRAINED 2000+ EDUCATORS
ACROSS 30 SCHOOLS**
